Please Note:

Under the current National Credit Act, we are NOT registered as a credit provider and will therefore require full settlement of all outstanding monies at every visit.

If for any reason your account is not settled in full at the time of your visit; and is subsequently not settled within 30 days, interest of 2% per month will be charged to any outstanding monies. Please be aware that should your account not be settled within 90 days your account will be handed over to our Debt Collectors, for which you will be charged additional administration fees in accordance with being 'handed over'.

I, _____ have read and fully understood all of the above information.
